FOUNDATION DRAIN DISCONNECT PILOT PROGRAM
CONTRACTOR INTERVIEW QUESTIONS**

CONTRACTOR _____

1. Has the Contractor ever performed this type of work before? If so, in how many instances and to what magnitude?
2. Does the Contractor have a licensed electrician on staff? If so, will this individual be available for this project? If not, how will electrical work be completed?
3. Are employees typically uniformed? Clean-shaven? Professional?
4. Are references available for past jobs?
5. Does the Contractor have a person on staff that is capable of providing a legible and accurate sketch of existing and proposed layouts?
6. Will the Contractor be able to dedicate a crew/crews to this project for an extended period of time or a specified length of time?
7. Will the Contractor's schedule be flexible to accommodate special needs of each homeowner?
8. Will adequate equipment be available to the crew/crews on this project at all times?
9. Is the Contractor capable of restoring most finished basements that may require disruption?
10. What are the Contractor's typical payment terms? (On this project, payment may be withheld until all work for the individual home is completed.)
