

**GREENWOOD  
METROPOLITAN  
DISTRICT  
COLLECTION SYSTEM  
DEPARTMENT**

The Greenwood Metropolitan District is currently cleaning, smoke testing / dye testing or videotaping its sewer lines in your area.

We wanted to make you aware of this work and are prepared to answer any questions regarding the maintenance activities that you might see.

In surveying the collection lines we will not be entering into any service or lateral lines owned by the homeowner. All collection lines where work is performed are owned by the Greenwood Metropolitan District.

Thank you for your cooperation and understanding. There may be occasions during these activities that streets or easements may be temporarily closed, however, this will only be done when necessary.
